

Professionally Guided Eating Disorder Parent Support Group - 100% virtual

YOU HAVE A VILLAGE

Gain additional support, guidance, education and peer connection around your child's eating behaviors. This has become a critical issue following the isolated pandemic months - you are not alone.

- 100% online - pop in anytime, anywhere
- 24/7 private parent chat community with professional moderators
- Unlimited support for a flat monthly fee

Meets weekly, choose the session that works best for your schedule for the week.
